	VIZIANAGARAM	
10	There are three Non-viable UP Schools running up to VIII class having below 30 strength but in view of VI & VII class strength they are visible (between 20-30) and hence may those schools be allotted each four teacher posts (Maths/Science, Social, LP-Tel, LP-Hindi) as per Table-II or to be considered as non-viable UP schools and minimum SGT posts as against.	Follow G.O.M.s No 42 School Education Dt. 30.06.2017 Table II-(A) may be followed where adequate SAs are available. If not available, surplus SGTs may be allotted.
11	As per G.O 42, 48 non-viable UP Schools are identified in the district and cannot be merged to nearby schools (due to lack of school within 3 KM radius), all the School Assistants & Language Pandits posts are identified as surplus and allotted to needy schools. As per the clarification issued by the CSE, AP minimum posts are to be allotted for those non-viable UP Schools. But, specific criteria of minimum posts may be mentioned for proving posts to such non-viable schools. But while allotting SGT posts to some non-viable schools, teacher posts are more than no.of students. Hence, specific criteria is solicited.	Instructed to submit specific school wise strength details.
12	There 5 School Assistant Mathematics under Government Management are surplus and 2 posts are allotted to needy Govt. schools remaining three working surplus teachers still surplus. Whether, the 3 working surplus teacher posts are retained in the same schools or to adjust the 3 posts in the strength	The surplus teachers should be allotted to the needy Zilla Parishad High schools depending upon the strength in descending order.

	descending order (even though there is no need)

All the posts of School Assistants (Languages/ Physical Education) filled in on Adhoc basis on promotions due to upgradation and also the Headmasters Gr.II filled in on Adhoc basis due to filling up of the posts of MEOs, including the subsequent vacancies filled in till now should be shown as vacancies in the transfers counseling.

It is brought to the notice of the undersigned that in certain Upper Primary Schools which are eligible for automatic upgradation as per the rationalisation norms the Headmasters of such Upper Primary schools are issuing Transfer Certificates (TC's) to the students for the reason that orders regarding upgrading the school into high school are yet to be received. This is not correct.

The District Educational Officers/ Regional Joint Directors of School Education are informed that administrative approval will be issued in due course by the competent authority, based on the proposal submitted by the DEO. Meanwhile, please take action to allocate justified number of teachers as per the staff pattern approved by the Government. And also issue instructions to all such Headmasters not to issue TCs to the students, but act as per the Govt. Orders in the matter. The students passed 7/8th classed should be continued in the same school which is eligible to be upgraded into High school. Necessary proposals should be submitted in the matter as per Government orders.

Any deviation of these instructions will be viewed seriously.

Receipt of these proceedings should be acknowledged.
