In the conference of the District Educational Officers held during the first month of academic year, it was informed that they are making necessary work adjustment arrangements to ensure that : –

1. No school is closed on account of non availability of teachers.
2. To make sufficient subject teachers available for High Schools particularly for the classes 9<sup>th</sup> and 10<sup>th</sup>.

In view of the work adjustment arrangements made by the various District Educational Officers in the interest of school administration and completion of syllabus as per the schedule, the arrangements already made by the District Educational Officers need to be approved. Hence all the District Educational Officers are requested to send the details of the work adjustments already made for issue of ratification orders.

COMMISSIONER AND DIRECTOR  
OF SCHOOL EDUCATION

To  
All the District Educational Officers in the State.
